with copy to Ms Maria Kramarenko mkramarenko@fdiworlddental.org
or **by fax** at +41 (0)22 560 8140

Irene Marron-Tarrazzi, DMD, MS
Re-election: 2024 FDI Membership Liaison and Support Committee
Personal Statement

I am honored to seek re-election to the Membership Liaison and Support Committee (MLSC). As members of the MLSC, we hold a pivotal role in transforming FDI policies into tangible outcomes, functioning as ambassadors and specialists in public relations. Our task is to ensure the effective transfer of information and resources from the FDI to our National Dental Associations.

Over the past three years, I have served as a committee member and have been privileged to be elected Vice Chair twice by my peers.

In collaboration with the committee, I have led the development of innovative strategies that have significantly enhanced the value of FDI membership. We have carefully reviewed and analyzed your recommendations, which have sparked ideas and solutions to meet the needs of National Dental Associations.

During my tenure, I have learned that excellence in communication and the ability to articulate both tangible and intangible benefits through a strong value proposition are crucial. These elements are key to expanding our membership by bridging multicultural gaps and strengthening our organization from within.

My experience in organized dentistry, including as Vice President of the American Dental Association, has provided me with a comprehensive understanding of the current dynamics in the dental sector. This insight enables me to identify and seize meaningful opportunities for action.

While we are well-equipped with the necessary programs, resources, and dedicated personnel to tackle significant challenges, it is imperative that we continue to inject innovation and fresh perspectives to propel us forward.

With a background enriched by diverse cultures, extensive international relationships, and a commitment to collaborative leadership, I aim to offer a thoughtful and inclusive contribution to the Membership Liaison and Support Committee, ensuring that it reflects the broad diversity of our FDI membership.

I humbly ask for your support and your vote.

A handwritten signature in black ink, appearing to read 'Irene Marron-Tarrazzi'. The signature is fluid and cursive, with a large initial 'I' and 'M'.

Irene Marron-Tarrazzi, DMD, MS
