Motivation – FDI Public Health Committee

Applicant: Dr LN Makwakwa (Specialist – Community Dentistry)
Qualifications: BDT and BDS (Medunsa); PDD (UWC); MPH (UL); M Dent Community Dentistry (SMU)
Email address: nokukhanya.makwakwa@smu.ac.za

I hereby apply to be considered for the FDI Public Health Committee. I am Dr Nokukhanya Makwakwa a Specialist in Community Dentistry at the School of Oral Dentistry at Sefako Makgatho Health Sciences University, where I am involved in the teaching and training of both undergraduate and postgraduate students in the Department of Community Dentistry. I also serve on the South African Dental Association as the FDI Liasson's officer. My expertise's are in Concepts of health, Health Systems Management, Health Policy, Programme Planning and Research Methodology. My research interests are in the fields of Ethics, Leadership and governance and Health system management.

In the Department of Community Dentistry and the South African Dental Association (SADA), I have been engaged in policy formulation and community engagement projects where we serve underprivileged communities. At the FDI I have also been involved in research projects, commented on FDI policies on behalf of SADA and at the World Dental Parliaments. I have also been the coordinated for World Oral Health Day in South Africa.

As an active citizen of the oral health community, I also serve on various International, National and Provincial structures, namely:

International

- Member of the World Dental Parliament (NLO representative South Africa)
- World Dental Federation – Board member of Women in Dentistry

National

- Health Professions Council of South Africa (HPCSA) - Executive Committee of the Medical and Dental Board (MDB), Vice Chairperson MDB and Chair of the Dental committee.
- South African Dental Association – National Liaison Officer (NLO)

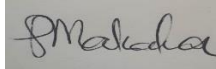

Provincial

- Gauteng provincial Oral health technical committee
- Gauteng provincial Oral health steering committee

Serving on these structures has provided me an opportunity to gain further insight into the trends and challenges facing the Academic, Corporate, and Oral health sector. Being considered to serve on the

Public Health Committee will afford me an opportunity to serve the oral health profession and the community at large.

Thanking you in advance for your consideration
