## **Chu, Chun Hung, Hong Kong Dental Association**

### **Public Health Committee Candidate**

My name is Chun Hung Chu, and I am a member of the FDI Public Health Committee (PHC). I would like to express my interest in continuing to serve on the PHC for another term. Over the past four years, I have been honored to be a part of this committee, which monitors and advises the Council on improving oral health and general health in disadvantaged communities, as well as promoting broader health initiatives.

As a PHC member, I have been contributing to the development and revision of FDI policy statements. I participated in the revision of the Oral Health for Healthy Ageing and Perinatal and Infant Oral Health Care statements, which were revised by the FDI General Assembly in September 2023 in Sydney, Australia. Additionally, I drafted the policy statement on Special Care Needs, which was reviewed by the FDI Council in April 2024. I am currently working on developing a new policy statement on Silver Diamine Fluoride and reviewing the Topical Fluorides and Systemic Fluorides statements with another committee member. Furthermore, I co-authored a Factsheet on Child Oral Health for other healthcare professionals with the PHC chairperson, which was externally edited in February 2024.

I have also served on the Public Health sub-committee responsible for selecting Smile Grant winners. If given the opportunity to serve a second term on the PHC, I am eager to develop a new project on Silver Diamine Fluoride. I am proud to be involved in developing, reviewing, and recommending oral health policies and guidelines that align with FDI's mission to improve global oral health.

If granted the opportunity to continue serving on the PHC, I will promote research on oral health issues, trends, and best practices to inform policy-making, encourage evidence-based dentistry, and identify areas where improvement is needed. Additionally, I will collaborate with other PHC members to advocate for the importance of oral health and promote the FDI's vision of leading the world to optimal oral health. By working with the PHC, I aim to raise awareness about oral health issues and emphasize the role of dental professionals in addressing these concerns.

Dr Enzo Bondioni  
FDI Executive Director  
FDI World Dental Federation

Dear Dr Bondioni,

**Nomination for the FDI Public Health Committee**

The Hong Kong Dental Association (HKDA) would like to nominate our outstanding member Prof CHU Chun-hung for re-election to the FDI Public Health Committee.

Prof Chu is a member of HKDA, is currently the Associate Dean of the Faculty of Dentistry, the University of Hong Kong, and the Immediate Past President of the Asian Academy of Preventive Dentistry. He has extensive experience in the field of public health. He has delivered lectures in international conferences on community dentistry and published more than 300 publications in Journals indexed in Scopus, Scopus h index 48. His contribution was highly recognized by being granted the Lifelong Learning & Service Recognition Award from the Academy of General Dentistry.

Prof Chu is also dedicated to and deeply engaged in projects promoting public health. During his membership in the FDI Public Health Committee in these four years, he has been contributing to the drafting and revision of FDI policy statements. One example is that he participated in the revision of the Oral Health for Healthy Ageing and Perinatal and Infant Oral Health Care statements, which were revised by the FDI General Assembly in September 2023 in Sydney, Australia.

We strongly believe that Prof Chu, with his background and experience, is a suitable candidate who will make remarkable contribution to FDI's work on oral health development. HKDA fully supports Prof Chu and highly recommends him to serve another term in the FDI Public Health Committee.

Thank you for your kind consideration of our nomination of Prof CHU Chun-hung to the FDI Public Health Committee.

Yours sincerely,

Dr Spencer Chan  
President  
Hong Kong Dental Association
