CLOSING DATES FOR NOMINATIONS FOR STANDING COMMITTEES: 3 June 2024

This form must be signed and returned **preferably by email** to:

Respected President and Councillors of FDI ,

Today, I have the honor and pleasure of announcing my candidacy for the FDI Public Health Committee.

I have a history of hard effort and leadership; I am the Indian Dental Association's joint secretary now serving as well as having served as a delegate and alt delegate in numerous FDI general assemblies.

I have been actively involved in numerous public health projects for the most underprivileged groups in the Mumbai Metropolitan area for the past 35 years, serving in various roles with the Indian Dental Association.

My career in academia has provided me with numerous chances to mentor students and interns in leading public oral health initiatives, particularly those pertaining to cleft lip and palate, quitting smoking, OPMD, and oral cancer.

My goal in joining the FDI Public Health Committee is to offer suggestions for sustainable care and to encourage similar initiatives around the world. I'm dedicated to being a strong oral health advocate, and I'm excited about the chance to collaborate with other committee members and council members to help accomplish the objectives outlined in the Vision 2030 report and the FDI plan.

My specialized knowledge in this field, in my opinion, will enable me to make a valuable and constructive contribution to the advancement of FDI activity, both among members and the general public.

I have demonstrated my ability to contribute fresh perspectives to discussions and support the advancement of ongoing projects in each of these jobs and organizations.

I am a dedicated, enthusiastic team player and leader who is prepared to contribute to the dental community's efforts to address the numerous issues that lie ahead, including the adoption of the Vision 2030 plan, the paradigm shift toward preventive care and sustainable dentistry, and the integration of oral health with overall health.

Thank you for your time and attention. I sincerely hope that the FDI General Assembly and Council will give me the chance to contribute to the FDI in this momentous and fascinating way.

Prof Dr Sanjay Joshi.
