Greetings from India & Indian Dental Association.

My career as a dental professional always made me deliver my best, for betterment of the profession, which culminated in the bestowment of various positions on me at national and international levels. They only made me even more humble and realize the greater responsibilities.

As the Dean of SIBAR Institute of Dental Sciences for more than 20 years, as Member – Dental Council of India and as an Academic Senate / Council Member of Government Health Universities of various states, I played a pivotal role in formulating / modifying the various policies and curriculum reforms made on Dental Education in India.

I volunteered to successfully organize international programs like FDI-IDA CDE; FDI – World Dental Congress (Chairman – Organizing Committee); 7<sup>th</sup> World Workshop on AIDS and many annual conferences of national specialty associations and many Continuing education programs for dental practitioners. Such theme based events require internationally renowned dental scientists and speakers to be called in, for the best outcomes and I was networking with many such knowledgeable persons like – Dr. Lakshman Samarnayake; Dr. Stanley Malamad; Dr. Michael Glick; Dr. Newell Johnson; Dr. William Cheung; Dr. Stephen J Challacombe; Dr. Christopher Fox; Dr. John S Greenspan; Dr. David Williams; Dr. Eli Eliav; Dr. Georgios E Romanos; Dr. Mel Mupparapu and Dr. Kenneth S Kornman.

With my interest to educate a wider dental populace, I lectured in various conferences organized by the Indian Dental Association, at different arenas.

I am also diligent as an international editorial board member of the Journal of American Dental Association (JADA) and as the Chief Advisor for the Journal of Orofacial Sciences (Scopus Indexed).

I attended most of the FDI World Dental Congresses since 2004, till date. This enthused me to be proactive in the FDI as a Member and Vice–Chair of the MLSC, and delivered my best.

Hence, with my 30 plus years of expertise as an avid educationist, I hereby propose to contest for the post of **Member – Education Committee of the FDI**.

I look forward to your support in serving the FDI.

Thanking you,

(Prof. L. Krishna Prasad)
