FDI World Dental Congress 2024 from 12-15 September in Istanbul, Türkiye, was a resounding success, bringing together a global community of dental professionals.

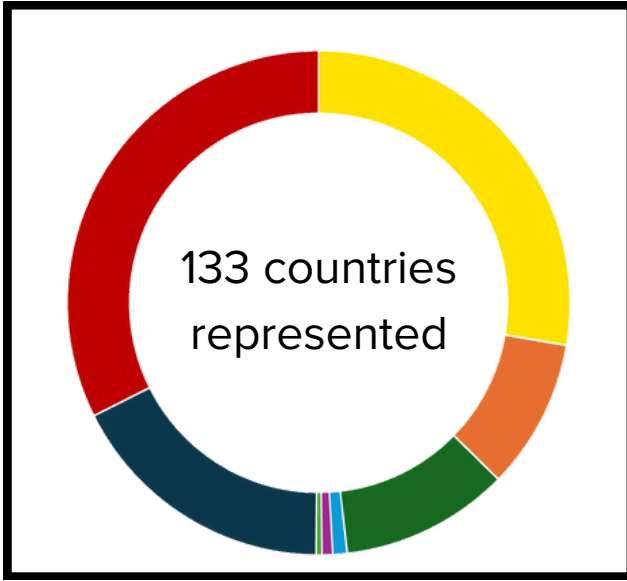

The event featured an extensive scientific programme, industry exhibition, and engaging sessions by leading experts in dentistry. This premier global dental event saw the participation of 15,810 registrants and exhibition-only visitors, over 200 international speakers, and 169 exhibitors making it one of the most impactful FDI World Dental Congresses in recent years.

In even more exciting news, 3238 registered participants consisted of young dentists and dental students. The Young Dentists Forum, a session dedicated to the younger demographic, provided them with the opportunity to network and learn about leadership in dentistry.

Attendees from all over the world participated in this major dental conference with 27% international representation.

FDI WORLD DENTAL PARLIAMENT

The **FDI World Dental Parliament** meetings were held in parallel to the Congress to make key decisions and plan the upcoming year. The **General Assembly (GA)**, FDI's supreme legislative body, **was one of the largest in recent memory with 90 National Dental Associations (NDAs) taking part.** During the Parliament, the GA made significant decisions, conducted elections, and approved several key policy statements, including:

- Artificial intelligence in dentistry
- Early childhood caries
- Ethics in dentistry
- Lasers in dentistry
- Oral health and noncommunicable diseases
- Oral health and special care dentistry
- Reduction of Sugar Consumption

A DEDICATED PLATFORM FOR YOUNG DENTISTS

Building on the success its inaugural edition in Sydney in 2023, the FDI Young Dentists Forum presented a lineup featuring a renowned speaker, lecturing on leadership Dr. Miguel Stanley, alongside two emerging voices in dentistry, Dr. David Palombo and Jan Stibal - both selected through a speaker contest. The forum also enabled over 500 young dentists to connect and build their network.
