## **MY PRESENTATION AS A NOMINEE FOR RE-ELECTION IN MLSC**

Dear Esteemed Elders, Senior Colleagues and colleagues,

My name is Dr. Oluwarotimi Adebisi Clement. I wish to solicit for re-election as a member of the Membership Liaison and Support committee, of the World Dental Federation. I had my undergraduate studies at the College of Medicine, University of Lagos with a Bachelors in Dental Surgery (BDS), then proceeded for my postgraduate training in Oral and Maxillofacial Surgery where I was awarded the Fellowship of the National Postgraduate Medical College of Nigeria (FMCDS) in October, 2007. I also obtained a Masters' degree in Public Health (MPH) from the University of Lagos, in 2014. Currently, I am an Associate Professor with the College of Medicine, University of Lagos as well as a senior Consultant with Lagos University Teaching Hospital.

During my first tenure I was able to foster a closer and deeper, perspective of African NDAs to the goals, aspirations and activities of FDI. I promptly disseminate information and drive adequately the need for NDAs to embrace FDI activities wholeheartedly. I worked with our members nations to raise awareness about the importance of good oral health and its vital role in securing overall health and well-being. I am dedicated to safeguarding the health of people through the machinery put in place by the world dental federation.

I have served in various capacities, since the year 2005, with the Nigerian Dental association and FDI as expressed in my resume. I have contributed in no small measure to policy formulations and advancement of global health at National, Regional and Global levels of the FDI tiers of governance. I was part of the team that executed the famous Live, learn and Laugh project of FDI in Nigeria between the year 2005 and 2008, and the Brush Twice Daily program which had greatly elevated the level of awareness of oral health in Our Country.

I strongly believe and affirm that, if re-elected as, Member of the Liaison and Support committee, will utilize my wealth of experience in advancing the cause of this committee as projected by the FDI.

## **CURRICULUM VITAE**
