with copy to Ms Maria Kramarenko mkramarenko@fdiworlddental.org
or **by fax** at +41 (0)22 560 8140

Written presentation/letter of motivation of Professor Katalin Nagy, applying for re-election of the Educational Committee (Standing Committee) of FDI

I am writing to express my sincere interest in being re-elected as a member of the FDI Education Committee. With over four decades of dedication to dental education, I bring a comprehensive background in clinical practice, academic leadership, and international collaboration. Since earning my DDS degree from the University of Szeged, I have remained actively engaged in academia, holding specialty qualifications in Oral Surgery, Prosthodontics, Oral Implantology, and Oral Diseases. My academic journey includes a Ph.D. from Eastman, London, and a DSc degree from the Hungarian Academy of Sciences, complemented by prestigious Fulbright and UICC fellowships in the United States. My Fulbright Scholarship in the United States (NYC) also extended my experience to study and teach in a different, very high-quality academic Institution (2 yrs in UK, 2 yrs in Germany, Finland).

I have led numerous educational initiatives. I am also actively involved in shaping dental policy as President of the Hungarian Dental Association. My roles within ADEE and the Council of European Dentists (as a Director and the Chair of the Educational and Professional Qualification Working Group) reflect my ongoing commitment to harmonizing dental education standards across Europe.

In the last almost 20 years, I am organizing the most prestigious Dental Conference of the region.

It is my strong belief, that the FDI Education Committee plays a pivotal role in shaping the future of global oral health through evidence-based education, forward-looking congress programming, and lifelong learning. If re-elected, I will continue to contribute with the same passion, experience, and collaborative spirit that I have always brought to our shared mission.

Thank you for considering my candidacy. I would be honored to continue serving the global dental community through the important work of the FDI Education Committee.

Yours sincerely,

Katalin Nagy

Szeged, 2025. 05. 03.
