E-Mail: s.tiede@zaekmv.de

Dear delegates, dear colleagues, dear friends,

I would like to express my sincere interest in being re-elected as a member of the Dental Practice Committee. Over the past term, I have had the great privilege of contributing to the Committee's essential work in monitoring different developments regarding dental practices and advising the FDI family on matters that are vital to the future of dental practice. I am committed to continuing this work with integrity, dedication, and a deep understanding of the challenges facing our dental profession.

My ongoing involvement in my own dental practice, specializing in oral surgery and implantology, provides me with firsthand insight into the realities of patient care, evolving training requirements, and the pressures of managing a modern dental practice. I am particularly passionate about maintaining high standards in dental treatment and professional ethics, while ensuring that legislation supports both patient safety and the autonomy of dental professionals. In this context, I would like to bring in the experience I have gained over the last years in various positions in dental politics in Germany.

In recent years, the dental field has undergone rapid technological advancements, shifting workforce dynamics, and complex regulatory developments. It is more important than ever that our Dental Practice Committee offers clear, informed guidance, supporting policies that foster innovation while upholding the highest standards of care.

If re-elected, I will continue to advocate for pragmatic solutions that reflect the voices of practitioners across different settings. I remain committed to a collaborative, transparent approach, grounded in evidence and guided by the best interests of patients and the profession. I would like to bring my abilities and strengths to the committee and to contribute to its policy work.

I would feel very much honored to be re-elected to stay part of the Dental Practice Committee.

Thank you for your trust and consideration.

A handwritten signature in black ink, appearing to read 'Stefanie' or 'Stef', written in a cursive style.

Stefanie Tiede, M.Sc.
