# IADR<sup>®</sup>

INTERNATIONAL ASSOCIATION  
FOR DENTAL, ORAL, AND  
CRANIOFACIAL RESEARCH

The IADR is a nonprofit organization with a mission to drive dental, oral, and craniofacial research for health and well-being worldwide. IADR represents the individual scientists, clinician-scientists, dental professionals, and students based in academic, government, non-profit and private-sector institutions who share our mission.

## **IADR MISSION**

**Drive dental, oral, and  
craniofacial research for health  
and well-being worldwide.**

## **IADR VISION**

**Oral health for the  
world through discovery  
and dissemination.**

# IADR Values

## **Scientific Excellence**

IADR values science conducted at the highest possible levels of rigor, innovation and ethics, across disciplines, from discovery science to clinical implementation to global population health.

## **Social Responsibility**

IADR values the pursuit of science to improve health and well-being for all people, to reduce health inequalities and inequities, and proactively takes actions and positions to improve health.

## **Scientific Community**

IADR values a diverse and inclusive scientific workforce, promotes work-life balance, and supports educational activities and mentoring networks to develop the next generation of scientists.

Cartilage is essential to craniofacial growth and morphogenesis but has long been viewed as unsuitable for maxillofacial reconstruction because of its limited regenerative capacity. This webinar focuses on the fundamental principles of craniofacial cartilage development, with emphasis on cartilage stem cells in the craniofacial complex. It also examines how disruptions in these developmental programs lead to classic craniofacial bone diseases.

# Support for Low and Middle-Income Countries

## **IADR Regional Development Program**

Since 1996, the Regional Development Program has distributed more than \$1.3 million in funding to enhance capacity and infrastructure in regions with less developed research programs.

## **IADR Adopt-a-Member Fund**

Donations to the fund directly support IADR Members and Student Members in LMICs in paying IADR annual membership dues and/or IADR General Session registration fees.

## **Awards and Fellowships**

The IADR Centennial Travel Award for New Investigators, the IADR Newell W. Johnson Travel Award, and the IADR Smile Train Cleft Research Award offer funding specifically to members of LMICs to promote research development and attendance at the IADR General Sessions.

## **Tiered Dues and Registration Fees**

IADR offers significantly discounted rates for individuals from LMICs on membership as well as for registration at the annual IADR General Session & Exhibition.
